

Work Experience Fact Sheet

Work Experience

A Work Experience is a Career Preparation activity in which a student/learner is at a worksite doing real work for pay. The student/learner is held to the same expectations as all employees and is evaluated by the worksite supervisor based on workplace expectations and performance.

Work experiences range from regular, paid employment in summer and/or year-round jobs to subsidized employment and learning-rich work experience. They include both "found" jobs and those arranged by the school or program. There are also a range of education and training linked work experience program types defined at the state and federal levels.
